Redistricting Public Hearing

Join the City of Bellflower on Monday, April 26, 2021 at 7 p.m. for the first redistricting public hearing!

Redistricting occurs every 10 years following the release of the Census results. It redraws district lines based on population changes indicated in the Census at the State, County and City levels.

Residents can submit maps of their own including borders of neighborhoods, a proposed Council district or sketch an entire citywide map of 5 Council districts. Get involved in the City's redistricting process!

You can also submit public comments, including suggested draft maps, by emailing: redistricting@bellflower.org.
